# Breading/Batter Table Open Cabinet

BBT-O

Scissors not included

Fresh chicken preparation was never simpler than with the Portable Breading and Batter Table.

- Open-cabinet design is simple to operate & easy to clean.
- **Canted Upper Shelf** holds container of fresh chicken, which has been prepared & ready for breading application.
- Hand-held hanging **Dunking Basket** facilitates dipping product into batter dip mixture & dumping into breading pan. The basket conveniently hooks between the pans when not in use.
- Optional **Spring-loaded Dunk Basket** sits inside the batter dip pan, after dipping, the hinged basket dumps product directly into the breading pan.
- Stainless steel pans lift out for quick clean-up.
- **Breading Pan** has bottom cutout with a removable **Plug**; when ready to sift breading, remove plug to dump used breading directly into **Sifter Pan** below.
- Built-in **Manual Sifter**; side rails hold the **Tote Pan** for catching reclaimed breading mix when sifting.
- Removable **14" x 22" Staging Tray** attaches (*without tools*) to either side of cabinet ... stage breaded product ready for the fryer. Breading "fall-off" is directed back into pan.
- Durable stainless steel construction.
- 2-Year Parts & Labor Warranty

## Design Features and Options

### Built-In Manual Breeding Sifter System

When ready to sift remove the plug from the Breeding pan to empty breading directly into the Sifter pan without handling the pan. The Tote pan below catches reclaimed breading mix when sifting. The Sifter pan & Tote pan slide on rails for easy cleaning.

### Hanging Dunking Basket

The large hand-held hanging dunking basket provides for increased capacity and is dishwasher safe. It is unattached for freedom of movement and is designed to conveniently hook over the edge of pans, ready for use.

### Optional Spring-Loaded Dunking Basket

The optional spring-loaded dunking basket sits inside batter dip pans. Springs lift basket from pan after dipping and hinged basket allows for easy dumping of product into the breading pan.
