Breading & Batter Table Open-Cabinet BBT-0

••Some field assembly is required ••
[tool provided]

Fresh chicken preparation was never simpler than with the **Portable Breading and Batter Table**.

- Open-cabinet design ... simple; easy to clean.
- Built-in *Manual Sifter*; side rails hold a tote pan for catching reclaimed breading mix when sifting ... *pan included*.
- *Canted Upper Shelf* holds container of fresh chicken, which has been prepped & ready for breading application.
- A hand-held *Dunking Basket* facilitates dipping product into batter dip mixture & dumping into breading pan ... conveniently hooks between the pans when not using.

The optional spring-loaded dunk basket sits inside batter dip pan, after dipping, the hinged basket dumps product directly into the breading pan.

- Stainless steel pans lift out for quick clean-up.
- *Breading Pan* has bottom cutout w/a removable *Plug*; when ready to sift breading, remove plug to dump used breading directly into the *Sifter Pan* below.
- Removable 14" x 22" *Staging Tray* attaches (*without tools*) to either side of cabinet ... stage breaded product ready for the fryer. Breading "fall-off" is directed back into pan.
- **2-Year Parts & Labor Warranty**

Design Features

Built-in Manual Breading Sifter System:

- Built-in Manual Sifter Pan & Tote Pan Rack.
- Sifter slides on polyethylene-coated rails for easy action.
- Removable plug in breading pan ... empty used breading directly into sifter without handling pan.

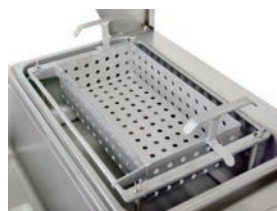

Large Hanging Dunking Basket:

- Large size for added capacity.
- Unattached for freedom of movement.
- Conveniently hooks over the edge of pans, ready to use.
- Easily cleaned in dishwasher.

Available Optional Configuration:

Spring-loaded Dunking Basket

Spring-loaded assembly sits inside batter dip pan. Springs lift basket from pan after dipping and hinged basket allows for easy dumping of product into the breading pan.
