VERSATILE STEAM PAN LAYOUT OPTIONS

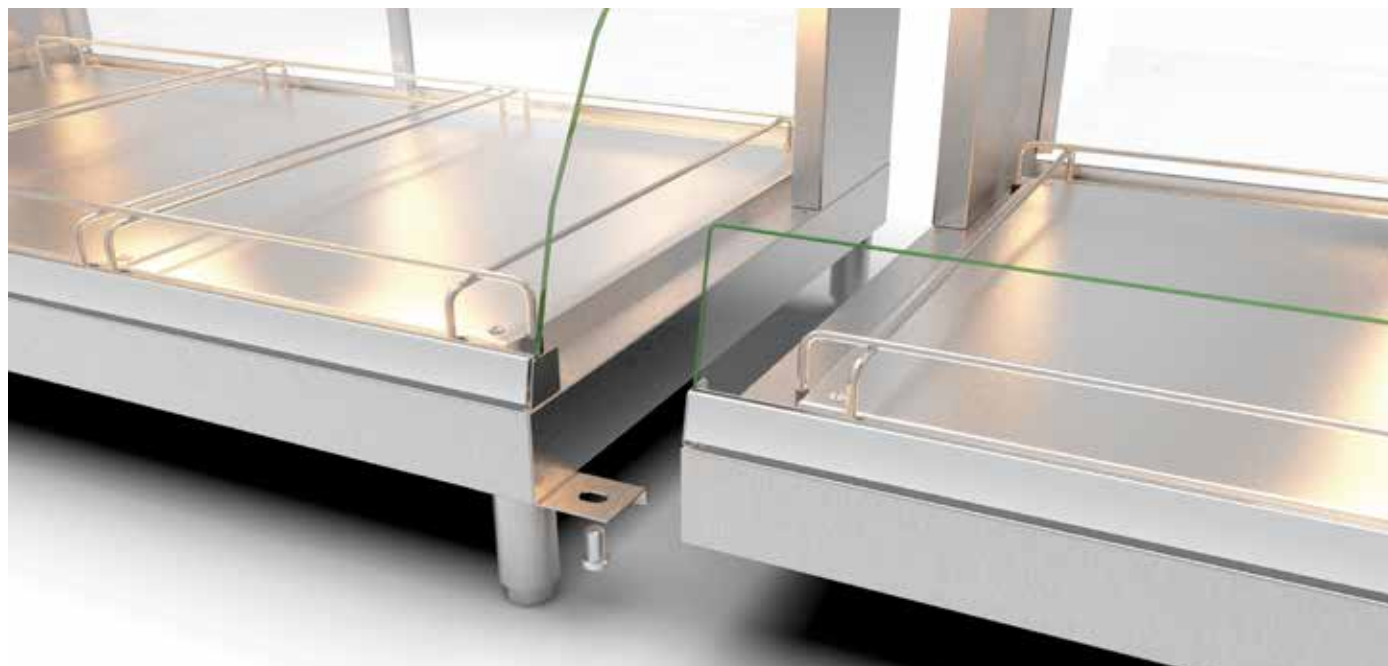

Presenting a new, first-in-class modular countertop merchandiser for full-serve and self-serve applications. **Giles GCW Countertop Warmer** models boast features such as:

- High-efficiency LED lighting system
- Full-serve or self-serve configurations
- Variable food and air temperature controls
- Easy-to-read cabinet temperature on attendant side
- Hinged front glass tilts forward or is easily removed without tools for cleaning
- Pan grid removable for easy & thorough cleaning
- Simple, easy-to-use temperature controls on attendant side

Clear, Intuitive Temperature Controls

Modular Merchandising

Need to expand the "customer facing" of your countertop merchandising efforts?

The flexible design and simple connector kit provides you with the freedom to assemble a hot case system to the length you need.

5-Pan Configuration

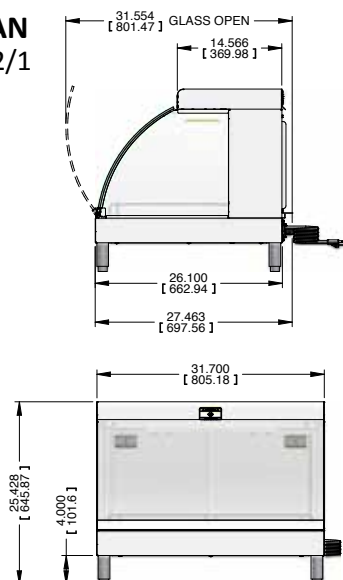

7-Pan Configuration / Attendant Side

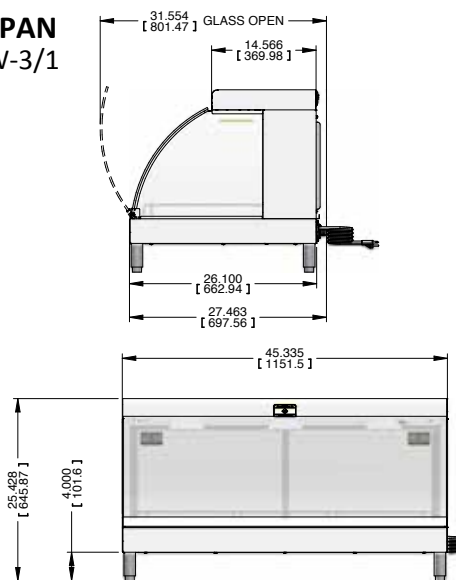

Steam pans are NOT INCLUDED with warmer. Purchase separately from your restaurant supply provider.
