

Food Service Solutions **Since 1952**

**Dependable,
Quick, Easy
& Cost-Effective**

PROVEN & TRUSTED SINCE 1952

Decades Of Commitment To Your Long Term Success

W. O. Giles, in collaboration with Mr. William McNeal, established the factory to completely manufacture his first electric chicken fryer concepts.

We understand the food service marketplace and the unique challenges you face.

That's why, since 1952, we've been dedicated to producing high quality, durable user-friendly and cost-effective solutions.

Reliable products stand the test of time

We offer a wide range of proven kitchen solutions such as ventless hoods, fryers, heated merchandisers, deli equipment and much more.

Responsive service and support 24/7/365

Whether your operation is large or small, we're committed to your success with:

- *Superior customer service*
- *Dedicated field support*
- *Thorough training*
- *Technical assistance from startup to expansion*
- *A strong, 2-year parts and labor warranty*

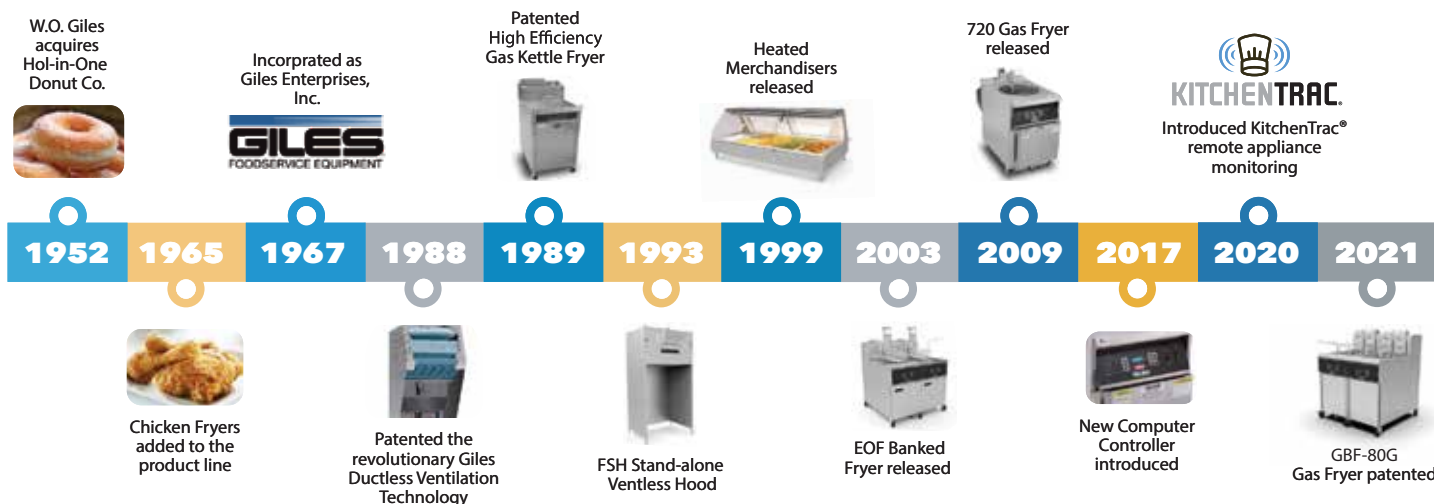

Giles Ductless Ventilation Technology

As the #1 manufacturer of ventless solutions, we've developed innovations such as integral ventless hood fryers and problem-solving recirculating ventilation hoods.

We serve segments including:

- Convenience Stores
- Grocery Stores & Delis
- Restaurants & Bars
- Business & Industry
- Sports Arenas
- Movie & Entertainment Centers
