# Xpress-peditor Landing Table System Model LT-4

The versatile **Xpress-peditor Landing Table System** is a multi-functional piece of support equipment that serves various needs in a busy kitchen and food service business.

- Portable Dump Station ... easily unload cooked product directly into a serving pan, funnel concept helps reduce spillage and waste.
- Use as a **FIFO rotation system for point-of-sale** ... place pan of fresh cooked product on rack beneath funnel ... transport to point-of-sale ... dump remaining unsold product on top of fresh, then place full pan for serving ... older product is **"first out"** for sale.
- Place a sheet pan on top of cart to create portable work surface. Put a cutting board in the pan for prep work ... drippings and scrap are contained in the pan.
- Place additional sheet pans on the lower racks provide more space to transport fresh product, or soiled items.
- Swivel locking casters provide easy 4-way maneuverability; lock to create a stable work table.
- Durable stainless steel construction; racks & funnel are easily disassembled without tools for clean-up.
- Multi-functional ... saves space in a crowded kitchen.

## Design Features

Place pan inside funnel ... dump cooked product directly to pan for serving.

**FIFO Rotation**  
Place pan of fresh product under funnel; transport to point-of-sale; dump unsold product through funnel onto old product, then place new pan for serving. Older product is **"first out"**

Put an 18x26 sheet pan on top; use as a utility cart or extra counter space; add a 15x20 cutting board and use as a prep table. Drippings and scrap are contained in the pan, making clean-up quick and easy.

Use lower racks to transport fresh items to point-of-sale and to return soiled items to the kitchen.
